

ENJOY, PLAY, LEARN & HAVE FUN!

The Hatteras Island Ocean Center is a place for **EVERYBODY** to enjoy the ocean and wetlands, play, learn and have fun.

To enhance and enrich you and your family's time on Hatteras Island, we offer a wide variety of recreational and educational programs for children ages 5 and up that occur on a weekly schedule. We also offer a series of evening talks geared toward adults, based on the availability of our speakers.

Please see the schedule on our website www.hioceancenter.org. Program space is limited, so book now.

Visit our two exhibit areas: **Ocean Center Hall** and **Beacon Place** to learn about Hatteras Island's dynamic ecosystem.
